Roots of Bonsai: Bonsai and Suiseki Exhibit Display Form

The Dallas Bonsai Society would like to invite you to display your bonsai trees and suiseki at the convention. The set up will be a semi-formal display with preset six foot spaces for each individual display. Very large bonsai will make up its own display with a companion plant or suiseki. Medium sized trees will likely be displayed in a three point display along with a companion plant or suiseki. There will be an area designated for shohin bonsai as well. Since it takes a lot of time and planning to set up all the bonsai and so the show is balanced and flows nicely, all bonsai to be displayed must be received Thursday evening, April 26th by 7 pm. After this time, it will be too difficult due to time limitations to rearrange the display room to accommodate additional trees.

If you have any additional bonsai stands and companion plants that you wish to bring on loan for possible use in the show it would be much appreciated and does not require completion of this form. One of the most difficult parts of setting up a show is finding the best combination of tree and stand for all the trees. The more options the better. Please be sure to have a discreet label on each item with your name on it.

Contact Howard Smith with any questions. He can be reached at bonsaismiths@tx.rr.com or (214)-693-4317.

Please submit the following information about the tree(s) you intend to bring. A picture sent to the above email address would be most helpful.
